

## EMPOWERING OURSELVES

the emerging church.

30th Aug - 1st Sept, 2024.

### ONLINE PARTICIPANTS

We're delighted to offer you online participation in Empowering Ourselves, live-streamed on YouTube and on Zoom at our live event in late August, free of charge\*.

Our weekend programme is taking us through:

1. Unpacking Internalised Fear and Oppression
2. Theological underpinnings - Ecumenism - Open Table
3. DIY - Wisdom from our sharing groups
4. Takeaway - Spirit Unbounded Access Course

Please make sure that you Register through the website with your email address. We'll use this to keep in touch with you, and to send you the link just before we begin.

Spirit Sophia is still helping us to develop the details, not least the best ways to maximise our sharing opportunities.

\* PS 'free of charge' 🤔

However much we volunteers in Core Team can do, we nevertheless have unavoidable costs. Hosting speakers and enablers is a large one; our remunerations can never match their true value.

Then there are the technical and ongoing costs: website, Zoom, video filming and editing, background techie underpinnings, MailChimp and many more.

So please, of your kindness, consider what sort of a donation you might be able to make to offset these costs, and to keep the R&B show on the road. Direct donations are most welcome to
